Issue No 4– 22nd February 2018

PRINCIPAL NEWS

Dear Parents,

Next Tuesday evening we will be holding our first Parents and Friends meeting for 2018. The following week the St John's Advisory Council will meet for the first time. Both of these parent groups provide considerable, valuable support and leadership for our community.

Executive members of the Parents and Friends group are as follows:

President: Belinda Haroutonian Vice-President: Caroline Miller
Secretary: Philippa Toohey Treasurer: Russell Scott
Diocesan Parent Rep: Rony Rahme

They are ably supported by our Class Parent Coordinator Joanne Woolford and her generous team of Class Parents. My thanks to all parents who have volunteered for the role of Class Parent. Every class has now been accommodated. A special meeting for Class Parents is being held next Tuesday evening at 6:15 pm prior to the P&F meeting.

I encourage you to be a part of the activities of our P&F who are working hard to support us in educating your child(ren) in faith and life. One of the very first combined activities being organised by our P&F and our Advisory Council is the community Bush Dance being held Saturday evening March 3rd. Whether it is the Bush Dance, a social event, assistance in our canteen or in our classrooms, volunteering in our library or with special events, our P&F and children welcome your interest in the life of our school. If you haven't been involved in some way as yet, why not make 2018 the year to commit to something? Our children will be better for it.

Our Advisory Council is a group of parents who support the leadership of our school in the implementation of our Mission statement and in the implementation of our School Improvement Plan. They provide advice to me concerning school issues; about school policy and in relation to future planning. The group meets once to twice a term and the minutes of the meeting are published on our website as are those of the P&F. Members include:

Co-chairs - Rachael Crookwell and Natalie Bradshaw
Parent Member - Amelia Chandler Parent Member - Meghan Bassett
Parent Member - Wendy Jones Parent Member - Julie Hogan
Parent Member - Caroline Glover Teacher Member - Christine Dunk
Parent Member - Lisa Rourke Teacher Member - Natalie Ingram
Parent Member - Nicci Bradley

Father Reinaldo Vassoler, our Parish Priest, and I are ex-officio members of both groups. All schools in the diocese will have Advisory Councils in place by the end of 2018.

Each of the parents above is a supportive member of our community wanting the best for all who are a part of it. The existence of these groups is a demonstration of the important role parents play in education and of the value we place on creating supportive partnerships at St John's.

During 2018, I pray for the volunteer parent and staff leaders of St John's that their contribution is focused on the common good, given generously and imbued with a spirit of strength and gentleness.

Sincerely,

Mark Bateman – Principal

Year 3 Air Conditioning:

Workmen arrived at school early this morning to install air conditioning units to each of our Year 3 classrooms and our Learning Support Room. This mean our entire site is now air conditioned which will enable a comfortable learning environment for our children and staff.

Staffing News:

Mrs Pauline Douglas is taking three weeks leave from next week. She will be replaced by Mrs Christina Tyack who is well versed in the day to day running of our school. We wish Mrs Dougals a wonderful break and welcome Mrs Tyack to St John's and Year 6 where she will be working alongside Ms Ingram.

Miss Karlie Cunningham will be joining us next Wednesday as our new PE Teacher. Karlie has taught PE in a number of independent schools and Catholic systemic schools in the Diocese of Sydney. We look forward to welcoming her to St John's.

SPIRITUAL NEWS

LENT – SUPPORTING PROJECT COMPASSION

We've been hearing lots of stories of people giving up their pocket money or doing extra jobs around the house to earn money for Project Compassion. 1B have created the scarecrows for our bush dance and they look fabulous. To help raise money for Project Compassion, we are going to have a guessing competition to see who can correctly identify the scarecrows. See below in School News for more information!

OCEAN SWIM FOR A GOOD CAUSE

Lachlan M (Yr 2) likes to dive into a good cause! He was involved in the Murray Rose Malabar Magic Ocean swim recently, raising money for Rainbow Club Australia (<https://rainbowclubaust.com.au/>). Rainbow Club are a great organisation who help children with a disability learn to swim.

Lachlan came in 3rd place in the 250m dash and is looking forward to being able to go in the longer distance events as he gets older.

Not only did Lachlan get involved, he and his family raised over \$1600 for Rainbow Club, and he was the 8th highest individual fundraiser. He even had the chance to meet Dawn Fraser, who was the race starter on the day! Lachlan showed off his medal to his St John's mates at prayer assembly on Monday and we are very proud of his efforts – keep it up!

SAVE THE DATE - SCHOOL PARISH MASS – SATURDAY 10TH MARCH 2018 & 5PM

This Mass will be hosted by our Year 5 students and our Kindergarten students but everyone is welcome to join us and make this a joyful celebration of our faith.

Congratulations to Green house for collecting the most points and adding their name on the swimming carnival trophy! Congratulation to Blue, Gold and Red for trying their hardest! Good job for all the competitors - it was a very close.

Yr 6 Playground team

Congratulations to the Lorikeets for taking the victory.

Good luck to all of our St John's swimmers who will represent us at the Northern Beaches Swimming Carnival at Warringah Aquatic Centre next Wednesday.

PARENT INFORMATION NIGHTS

Tonight is the last of our parent information nights to begin 2018. We would like to thank the teachers for all of the preparation put into the evenings for each grade, as well as the wonderful way they have begun the school year with their new classes. We would also like to thank all the parents who attended the evenings. We value the community building that these events offer, not only for the shared understanding of what will be happening across the year in each classroom, but for the connection that occurs between the parents and teachers. If you were unable to attend these nights, information will have been sent home with your child, and will be available on our school weebly – <http://stjohnsnaraweena.weebly.com>

Kindergarten families are invited to our final Parent Information night – in our library at 6.30pm tonight.

LIBRARY NEWS

In the first few weeks of Library Year 3 have been learning to use the library computer system Destiny. They borrowed their own books using the barcode scanner this will allow myself as library teacher much more time to help students select appropriate books. The students have also been learning to use Destiny to search for books in the library.

Students from Kindergarten to Year 4 have been reading, 'The Race for the Chinese Zodiac' and learning about Chinese New Year. Students then researched their birth year and its corresponding animal and its traits.

Years 5 and 6 had been learning about the Dewey Decimal system. [The Dewey Decimal Rap](#) is a fun way to help them remember the numbers and their subjects.

We have lots of new books in the library if you are able to help with covering them we will provide the contact you need.

Just pop into the library or ask at the office and we will send home a bag with the books and contact

FAMILY LIAISON OFFICER

URGENT HELP NEEDED

Casserole Club - SOS

We currently have families in the school facing challenging times, and as a caring Catholic community we are committed to helping those who are in need of support. The Casserole Club at St John's is a store of frozen meals prepared by parents to be given to those who need a practical helping hand.

At present the freezer is empty.

We urgently need a supply of casseroles, soups, curries, lasagne, or anything that freezes well. If you are able to help by preparing a meal please ask at the office for take-away containers that can be used. Meals should be labelled with basic ingredients and brief instructions on how to reheat. Perhaps you could consider making a larger batch of your family meal and putting some aside.

Your help would be greatly appreciated.

Thank you,
Jeanie McDonnell, Family Liaison Officer

Tuesday is School Banking Day...

Calling for volunteers – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

Currently, School Banking day is Tuesday.

If you are interested in volunteering please email our School Banking Co-ordinator, Belinda Bedford, (bgbedford@optusnet.com.au) with the following details:

'We have been busy here at OOSH over the past few days, updating our online communication with families. We have started a Facebook Page called 'NARAWEENA KIDS CLUB'. The page includes information about the morning routine, afternoon interests and activities including photos and quotes from the children. We already have around 20 members and it would be amazing if you could get online and join the group so you can leave comments about the program and your child's favourite games to play.

Each morning this week Jaz has created a new drawing game for the children. She has been asking them to all draw a picture that has to include 3 different items. This makes for an interesting morning as we love to see what the children come up with. These drawings are going to be placed around the room with a description of what needed to be included for you to all come and look at.

Finally I would like to congratulate all of the kindy kids and parents for settling in so well in both the mornings and afternoons. The seniors and siblings are making the process alot smoother for everyone involved but would like to say that we think all of the kindy children are superstars and many of them in the afternoon don't want to leave OOSH they are having so much fun!

Come along and get involved if you are new or would like some more mornings or afternoons.

ST. JOHN THE APOSTLE

Catholic Primary School

Presents Parent Course

1-2-3 Magic and Emotion Coaching

The program supports parents and caregivers with effective strategies to help their children self-regulate and manage their emotions and behaviour. Children who have developed social and emotional skills find it easier to manage themselves, relate to others, resolve conflict, and feel positive about the world around them.

1-2-3 Magic is easy to learn and it works!

The logical and practical 1-2-3 Magic method can be learnt in **3 sessions**. It is easy to remember and implement especially when parents are tired or stressed.

Strategies are given for the following 3 tasks of parenting:

- ✓ Helping children to self-regulate and learn to control their own unwanted behaviour
- ✓ Encouraging social and emotional learning and self-awareness
- ✓ Strengthening parent-child relationships (shared fun, praise and listening.)

Where: St. John the Apostle Catholic Primary School

166 Alfred Street, Narraweena. School library.

When: Tuesdays 14th, 21st and 27th March. **Time:** 6:30-9:00pm

Cost: \$10 for a workbook covering the 3 sessions.

Diocese of Broken Bay Primary School Sport Council

BROKEN BAY WINTER TEAM SPORT SELECTION TRIALS 2018

INFORMATION FOR PARENTS

Broken Bay Diocese (including Central Coast, Northern Beaches and North Shore clusters) selection trials for children wishing to be considered to participate at the NSWCPSS Polding Area Winter Team Sport Trials will be held in the sports listed in term 1. The purpose of the Polding trials is to select a representative team to compete in the NSWCPSS State Championships. For further information relating to the Polding Trials please go to: www.csss.nsw.edu.au and for CPSS State Carnivals: <https://app.education.nsw.gov.au/sport/NSWCPSSA>

All teams except 11 years rugby league are open age. It is therefore expected that children will be in years 5 or 6 unless exceptionally talented. **The selectors are looking for children who display outstanding ability in the particular sport.** Children turning 13 will not be eligible for selection in NSW representative teams.

- Selection in netball and boys soccer is particularly competitive and only those children who have been selected in community development or representative squads or who are of a representative standard will be invited to attend.
- Any children who currently play hockey should be encouraged to attend.
- Schools will be limited in the number of students they are allowed to nominate for each sport.
- Where a large number of children attend a trial the selectors will make a 'first cut' of players after observation of an initial skills session. Not all students will be selected to continue with the trial.
- **In the case of wet weather, schools will be notified of any changes and there will be a recorded message on 82507976.**

Parents please note the following:

- Students must have the school's permission to participate in the trials. A school has the right to refuse permission for a student to attend the Broken Bay Trials.
- **An entry fee of \$10 per child per sport is payable via Qkr prior to the trial. Cash may not be paid at the trial.**
- The background information is not used for 'pre-selection' but assists your school in determining who may attend the trial and the conveners in organising the children for the trial.
- Parents are responsible for all transport and supervision arrangements for their children attending Broken Bay team trials **and** Polding trials.
- **Parents are expected to remain at the venue for the duration of the trial.**
- Attendance at any training days, if arranged, is expected. The team manager will advise details if applicable.
- The selector's decisions are final.
- Clothing: children are required to wear their school sport uniform shirt and other appropriate sports attire
- **Students must provide their own personal protective equipment; including protective equipment as prescribed for the sport.**
- **Player profile forms must be returned to school sport coordinator at least five working days prior to the trials. The school will give an 'invitation to attend' form with payment procedure to selected students.**
- **Rugby league and rugby union:** Note that these are essentially body contact sports with some degree of inherent risk of injury. The wearing of a correctly fitted mouth guard is mandatory in all games and training sessions. Head gear is highly recommended.
- **Dogs are not permitted at any school sport events.**

Please direct any further enquires to your school sport coordinator in the first instance.
