PRINCIPAL'S MESSAGE

Dear Parents,

The St John's Parents and Friends group provides important support for our school, especially as we work toward our School Improvement Goals – these are referred to in my report. They contribute significantly to the building of community through the organisation of various events and assist with fundraising. This year, the P&F made a significant contribution toward the cost of air conditioning our classrooms, making the learning environment for our children much more comfortable.

My thanks to the outgoing P&F executive team; they have been a task-focused group which has encouraged parent voice in the life of our school. I appreciate the support they have provided during 2016. We have a new P&F executive following considerable interest in positions during the AGM elections. My thanks to all those who accept nominations. Congratulations to our outgoing executive and to our new 2017 team:

A reminder that a thank you afternoon tea has been arranged for our Class Parents and Canteen Volunteers next Friday, December 2nd, in the library at 2:00 p.m. We ask that those attending please RSVP to the school office by Monday November 28th via email for catering purposes.

This Friday we will welcome Grandparents and Special Friends to our school for a liturgy followed by afternoon tea and open classrooms. This annual event is always well attended and the children are looking forward to welcoming their guests to St John's. Please note that parking will be in surrounding streets as there is no on-site parking available in the school or Church grounds on Friday. Our Year 5 and 6 families are providing afternoon tea and can drop off a plate to the school hall on arrival Friday morning.

Finally, I am extremely pleased to announce the appointment of Natalie Ingram as Assistant Principal to St John's. Natalie has been working with us as Acting Religious Education Coordinator (2 Years) and as Acting

Assistant Principal this year. Her contribution to St John's in both of these roles has been outstanding and the staff and I are thrilled that Natalie is no longer Acting but officially in the role of AP.

A reminder that the season of Advent begins this weekend. It is time to bring out the Advent calendars or to slowly build the nativity scenes with the children and while at the same time building a sense of hope as the birth of our saviour approaches.

Sincerely,

Mark Bateman – Principal

STAFFING NEWS:

I am pleased to announce the following teaching appointments for 2017:

- Miss Ashley Blake – 12 months full time teaching position.
- Miss Lara Gorman – extended 12 month teaching position.
- Mrs Gathy Gualtieri – 12 months full time teaching position.

All teacher placements will be notified later in the term.

Mrs Dawson:

I also wish to inform you that Mrs Christine Dawson will be retiring at the end of the year after 40 years of teaching. Christine's care for the children is second to none and her positivity and friendliness as part of this community have helped bring something special to the staff, students and families of St John's. We will still get to see Christine around as she will be available for casual teaching work in 2017. Our love and best wishes to her.

SPIRITUAL NEWS

This Sunday we begin a new Liturgical year with the Season of Advent.

Advent is a season of past, present and future. In terms of the past, it prepares Christians for the commemoration of Christ's historical coming in the feast of Christmas. It reminds us that Christianity is profoundly historical; religion: just as God speaks in the words and events of Jesus' human life, so God speaks in each of our personal histories and in our communal experience. Advent also looks to the future, to the second coming of Christ.

The focus here is on hope that gives meaning to all Christian life and especially to a time when all, especially the poor and hurt will have what they need. Essentially, Christians are people who have hope and who bring hope to others.

This weekend, we light the first purple candle on the wreath. If you have a wreath at home, here is a prayer for the family to say together:

Dear God, help us to be ready to walk in your light. This first week of Advent, help us prepare our minds and our hearts to follow the teachings of your son, Jesus.

Holy Spirit, guide the choices we make throughout this week so that we choose to do what honours our creator and what shows our love of others.

Father in heaven, we offer thanks to you for the many gifts you have given to our family.

Come, Lord Jesus. Come into our hearts, so that when the time comes, we will be prepared to join you in everlasting joy.

How to make your child's report card an effective tool for learning

Your child's report card can be a useful tool to help you gauge how they are progressing and show you areas where they might need assistance. Here are some tips to make your child's report card an effective tool for learning:

Talk it through

It's important to talk to your child about their report card. Their report may highlight subjects they have an interest in, as well as areas for development. Listen to their thoughts on the report and see what you can do to help them build on their strengths as well as improve. Focus on the achievements in your child's report and genuinely praise your child on them. For instance, 'I'm really pleased to see you are enjoying science. You are obviously enjoying learning about it.'

Talk to your child's teacher

Talk to your child's teacher if you have any questions about the report or would like to explore ways to provide extra support for your child. They want your child to succeed and they will be only too happy to chat with you about ways you can help your child to learn.

INVITATION FOR JUNIOR ALTAR SERVERS

Dear Parents,

The Catholic Parish of Warringah is extending an invitation to children who have made their First Communion to take up the ministry of altar serving.

Altar serving is not just a job to be done, nor a performance, but one of the many ministries which members of the congregation at Mass do to enhance liturgy and to be their way of prayer. This is an important ministry that allows your child to play a special role in the Mass but also requires commitment and maturity on their behalf.

We roster people on each ministry around once a month, but the hope is that people will be coming to Masses even when they're not serving too. We ask people to choose one Mass – Saturday night 5pm, Sunday 8am or Sunday 10am - to be rostered on to. The children will also serve at weekday school masses.

Children need to be accompanied by a parent at Mass, not dropped off, so this would be a commitment by you also.

The children will have practice sessions during school time, and will be placed on the roster once a month when they've completed their training.

If you would like your child to be an altar server, please fill out the attached form, and return it to the school office.

God bless your family,

Father Tiziano
